Parents have access to all areas used by our program after checking in with the program Director.

### **Updated Information Policy**

Parents are responsible for keeping the Director advised of any significant changes as they occur in the enrollment information concerning phone numbers, work locations, emergency contacts, family physicians, etc. This is inclusive of payment information.

### **Child Abuse Policy**

My After School Program Staff are mandated reporters. The law has provisions safeguarding the well-being of child(ren). We must comply with the law as outlined below:

*Childcare and daycare personnel having reasonable cause to believe that a child under the age of 18 has had physical injuries inflicted upon him/her by other than accidental means by a parent or guardian, or has been neglected or exploited by a parent or guardian or has been sexually assaulted or sexually exploited, MUST be reported or cause reports to be made to the Department of Human Resources, Child Protection Agency.*

### **Medical Emergency/Injury Policy**

In the case of a medical emergency, 911 will be called and students will be transported by ambulance to Children's Health Care of Atlanta, Scottish Rite (for North Atlanta Cluster Programs) and Children's Health Care of Atlanta, Egleston (for Grady Cluster Programs). If the injury does not require 911 assistance, the child will be treated by the Director and a medical report will be completed and given to the parents. The main first-aid kit is housed with the Director, but each teacher has a basic first-aid kit.

### **Behavior Policy**

Appropriate school behavior is expected of all students who participate in our programs. The safety and interests of your children is our primary concern. Teachers will work closely with students to use positive reinforcement for desired behaviors. When a student has behaviors that need support, My After School Program will redirect students, support students in solving conflicts, assist in managing the relationships, and will communicate with parents so together we can support the child. Teachers will communicate with parents to share positive and undesirable student behavior. If any student has frequent behavior issues that are not improved upon after addressed, then the student who is demonstrating inappropriate and/or dangerous behavior will be suspended from the program. Following the suspension, if the child continues to demonstrate these types of behaviors, he/she will be dismissed from My After School Program. Various techniques will be used by the teachers such as, but not limited to, talking with the student, removing them from the group, time-out, writing about their feelings, parent meetings, and written notification of event or behavior to the parent. Our programs use a behavior incentive program to support and encourage positive behaviors.

### **Nondiscrimination and Refusal Of Care Policy**

My After School Program reserves the right to discontinue childcare to any student enrolled in program at any time for any reason other than the basis of race, color, religion, gender, national origin, age, veteran status, disability, marital status, or sexual orientation in any of its employment practices, educational programs, services, or activities.
