Confirmation:

Once your registration is approved, you will receive a confirmation email.

Employee Discount:

If you are eligible for an employee discount, it must be verified before your registration can be approved.

Special Considerations:

- If your child has an IEP, a copy must be emailed to: Communityedbusinessdept@gilbertschools.net
- The supervisor of your specific program must review and approve it before registration can be approved.

Important Notes:

- Your child may not attend the program until you have received a confirmation email. The Zone enrolls on a first-come, first-served basis.
- Incomplete information or missing documentation may delay enrollment in the program.
- It is the parents' responsibility to keep enrollment records current.

EMERGENCY CONTACTS

Emergency Contact and Pickup Information:

Parents must ensure that the information provided in their Eleyo account is kept current. It is extremely important that all home, business, cell phone, and emergency contact numbers are correct in case of an emergency. Parents/guardians must list at least two local contacts, and these contacts must have different phone numbers from the parents/legal guardians.

Please note: Only individuals listed in the Eleyo account as emergency contacts and on the Emergency Information Card (Blue Card) will be allowed to pick up a child. If a contact needs to be added to the list of those eligible to pick up a student, the account owner must add that person to the contact list in their Eleyo account.

To update or add a contact, log into Eleyo, go to the Dashboard, and under “Your Accounts,” click on the program, then select “Manage Authorized Pickups.” Under each child’s name, click on “ADD Authorized Pickup,” enter the person’s name and phone number, and then click “SAVE Authorized Pickups” when finished.

SCHEDULES

The Zone Summer Camp Program provides a variety of schedules to fit a family's needs. Upon registration, families will select a schedule for the summer. Modification to schedule/contracts can be requested in the Eleyo system if the time frame requested has not been invoiced. Requests will be reviewed, approved, or denied based on the availability of the specific program. The Zone offers two choices of schedules/contracts for the summer.

- **Pick Your Week Contract:** Select this option if your child will need a Monday-Friday schedule for all or select weeks during the Summer Camp session
- **Pick Your Days Contract:** Select this option if your child will need a mix of days during the Summer Camp session

Schedule Changes and Contracts:

If your child’s schedule needs to be changed, it must be done online before the account is invoiced for that date range.

A contract must be selected when registering for The Zone Summer Camp Program. If a child has a Pick Your Week or Day contract, schedules must be submitted before the account is invoiced for the required dates (see Payment Due Dates on page 3). Families also have the option to schedule all needed dates for the entire summer, as the calendar will be available once registration opens.

A non-refundable registration fee is required at the time of registration. During Summer Camp, invoices will be sent every two weeks. Once an invoice has been issued, no changes can be made to the dates that were invoiced. Payments received after the due date will incur a \$25.00 late fee.

ILLNESS, ACCIDENTS & EMERGENCIES

Parents must inform the Camp Director when an absence is due to illness. Please note that a child may not attend The Zone if they exhibit any of the following symptoms:

- Fever within the past 24 hours
- Vomiting
- Diarrhea
- Undiagnosed rash
- Inflamed or matter-filled eyes
- Severe cold or sore throat
- Swollen glands
- Head or stomach ache
- Head lice

If a child becomes ill while attending The Zone, with any of the following symptoms:

- Temperature
- Frequent diarrhea
- Onset of a rash

A parent/guardian/emergency contact must pick up the student within an hour of being notified. Students may not return to the Zone until they are symptom-free for at least 24 hours.

Accidents & Emergencies

If a child is injured at the site, basic first aid will be administered. If a physician must treat a child, every effort will be made to contact the child's parent/guardian and the doctor indicated on the Emergency Information Form (Blue Card). In the event of an emergency, a child will be given the necessary emergency treatment until a parent/guardian can be contacted.

MEDICATION & EMERGENCY PROCEDURES

Medication is not given to a participant without prior arrangements with the Camp Director. Medication will be held and administered by a Zone staff member. All medication must be labeled by the pharmacist and must include the name of the child, date, dosage, name of the medication, and method of administration. A "Medication Consent Form" must be completed by the parent or guardian and be kept on file at the site.

Any unused or expired prescription medication will be returned to the Parent or Guardian. Medications will be disposed of two weeks after the expiration date, the end of summer camp, or a child's withdrawal from the program if not picked up from The Zone.

In case of an emergency, as determined by program staff, the paramedics will be called and a parent will be notified immediately. Parents will be responsible for all costs incurred in such emergencies.

SPECIAL NEEDS

Gilbert Public Schools Summer Camps fully comply with the requirements of Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, applicable DHS regulations, and all relevant federal, state, and local laws.

Reasonable modifications will be provided to ensure students with disabilities have meaningful access to our programs, unless it is demonstrated that such modifications would fundamentally alter the nature of the program or impose an undue financial and administrative burden. A student, including those with disabilities, may be removed from a summer camp if, even with reasonable modifications, the student's behavior is so disruptive that it prevents other students from participating or creates a safety risk.

If your child has special needs or disabilities, please contact the supervisor of your program before registration. DHS regulations (R9-5-507) require that you provide copies of the following: your child's IEP, medication schedule, and staff qualifications.

GENERAL STUDENT GUIDELINES & REQUIREMENTS

Students must wear and/or bring the following items daily, each clearly marked with the student's name:

- **Backpack or bag** for personal belongings (labeled with student's name)
- **A bottle of sunblock** (labeled with your child's name) must be left at the site for application during the day as needed.
- **A water bottle** (water will be available throughout the day on campus)

- A swimsuit (All swimsuits must fit modestly)
- A towel

STUDENT BEHAVIOR GUIDELINES:

Because social growth is so crucial during the middle school years, The Zone Summer Camp will focus on helping children learn appropriate behaviors. Behavioral guidelines have been established to maintain the physical and emotional well-being of each student, as well as teaching self-discipline, good judgment, and manners. Positive techniques are used to guide children's behavior, such as verbal praise and positive redirection. Parents and staff are viewed as partners in guiding a child's development, and Zone staff will work with parents to establish consistent expectations for our students. Additionally, The Zone is committed to providing open and honest communication with all Parents and Guardians should student behavior concerns arise.

Appropriate behavior is essential to learning and growing and should be based upon mutual respect for the rights and property of others, respect for those placed in authority, and respect for every student. No one will be allowed to jeopardize the health, safety, or learning environment of other children. Children will be expected to display responsible behavior when they attend The Zone Summer Camp. Emphasis is placed upon each student to take responsibility for his/her own behaviors. A child's choice may result in positive or negative consequences such as rewards, redirection, or loss of privileges.

For more severe or continuous problems, one or more of the following may result: incident report, conference with parent, one to three-day suspension, or disenrollment from The Zone Summer Camp. If a child is not following the direction of staff or has violated Gilbert Public Schools' code of conduct in a way that jeopardizes their safety or the safety of others, a parent will be required to pick up said child immediately. It is then required that all parties involved are cleared to return by the Program Supervisor.

In the unfortunate event that a Program Supervisor determines that a child cannot benefit from The Zone Summer Camp or presents a danger to themselves or other children, parents may be required to withdraw their child from the Zone program.

The following are general expectations of all students attending The Zone summer program:

- Listen and follow directions the first time given.
- Be respectful in both attitude and language towards Zone staff and other students.
- Use appropriate words to solve problems. If that doesn't work, ask a Zone staff member for assistance.
- Never be out of sight or sound of The Zone staff.
- Respect the facility and all equipment.
- Follow all GPS student behavior guidelines as outlined in the Secondary Student Handbook available online on the GPS District website.
- No weapons or drugs are allowed on any GPS school/facility property. *No Exceptions.*
- All students must follow the GPS district dress code as outlined in the GPS Secondary Student Handbook available on the District website.
- The Zone has a no-tolerance policy for bullying, including but not limited to cyberbullying, the use of profanity, gang affiliations, or any other behavior that violates the GPS Student Code of Conduct.

CAMPER SELF-RELEASE:

Students attending The Zone are allowed to self-release with prior parent approval. A parent or guardian must sign a self-release permission form and return the completed form to the Camp Director before the student is permitted to leave on their own.

INSURANCE:

Gilbert Public Schools District carries liability insurance that covers the GPS Summer Camps. The insurance is provided by the Arizona School Risk Retention Trust, Inc. This coverage applies whenever your child is signed into a preschool program, including during off-site field trips. Please note that this policy **does not** provide accident or medical coverage, and we strongly recommend that each child be covered under an individual or family health care plan.
