SESSION 1: 8:00 AM - 10:00 AM

Active Supervision:
A Developmental Perspective
KCF VII.B

In this course we will:
Define MN DHS Rule 2 licensing standards regarding supervision in family child care settings. Describe the ways supervision is impacted by a child's development. Identify characteristics typically associated with differing levels of development and their impact on supervision.

.....

SESSION 2: 10:15 AM - 12:15 PM

Make Your Next Move Your Best Move:
*Teacher Behavior Moves
that Change Behaviors*
KCF II.C

Experience factors that impact how we interact with our world. Reflect on what behavior is communicating through the perspective of the child's experiences, environment and stress/trauma reactions. Produce positive social and emotional exchanges. Reframe/Reimagine child and adult behavior using strategies that help with behavior modification (calming techniques, positive reinforcement techniques and self-regulation).

MEET THE INSTRUCTOR

Nichole Butler

Nichole currently works as an educator in a local school district and a teacher in a childcare center. Nichole has worked with scholars from birth-adults for over twenty years. She has experience in childcare programs, schools, after-school, community based programs. She also serves as a teacher of color mentor and has worked on an advisory board for a childcare center.

At an early age Nichole developed a passionate desire to support all and every area of scholars and families lives. This led her along the collegiate path of obtaining her degree in Special Education (Learning Disabilities/Emotional Behavior Disorders) and a Master's Degree in Curriculum and Instruction. She has been a special education teacher for over 10 years in a variety of settings, disability, and diverse demographics. Nichole is currently moving towards ways to help support, train and impact educators, families and scholars in intentional ways.
