

TRAILBLAZERS WEEKLY THEMES

****CAMPERS THAT HAVE COMPLETED 4TH- 8TH GR.****

Camp Activities Are From 10:00 am – 3:00 am

WEEKS 1-3: MOVE WEEK;

These weeks are all about the get up and GO –our first summer session will be chock-full of PLAY! We'll spend the first week getting to know each other and our surroundings, all while enjoying play, learning new games and team building. The Trailblazers will spend some time learning new and unique sports and hobbies. We'll wrap up our move weeks with wellness and training, and team challenge activities.

WEEKS 4-6: MAKE WEEK;

The Trailblazers are getting crafty! This session will be a favorite for the doers, inventors, builders, makers, bakers... etc! The Trailblazers will be delving into some DIY projects to start this session. We'll be putting our STEM skills to use in a variety of engineering and builder challenges. We'll conclude our MAKE session with tons of fun and honing our culinary chops in a Trailblazer Test Kitchen!

WEEKS 7-10: MARVEL WEEK;

The Trailblazers will spend these weeks on the wonders of our world. This session will be an exciting exploration into history, fascinating traditions, and natural wonders. We'll spend a week delving into some of history's mysteries and the wild ways that our world came to be. The Trailblazers will explore their own heritage and learn about cool cultural traditions from across the globe. We'll conclude our summer with exploring our local ecosystem and environment as we say farewell to summer.
