

The census assists the Kimball district with total district population count, ages 0-4 child count, contacting families regarding pre-school screening, and funding for ECFE and Community Education programs. To keep your family information current, please complete this form and return it to any of the school offices or mail to: Kimball Public Schools, PO Box 368, Kimball 55353. Feel free to contact the district office at (320)398-5585 with any questions or visit our website at www.kimball.k12.mn.us.
